due diligence

An acquisition opportunity includes many significant decision points along way. Information needs to be quickly and confidentially analyzed to assist with the decision making process. Enlighten Financial provides both extensive experience with credit and loan portfolio due diligence to be that critical resource for your management team.

trusted advisors

We have the knowledge and experience to work with your management team to provide insight and recommendations into the nature of the scope and depth of the review necessary to provide the information necessary to assist with an acquisition decision.

communication

We understand our customers do not like surprises. We will communicate with you frequently throughout the process to provide awareness of the progress and findings in the target loan portfolio. This communication allows for our customers to evaluate the opportunity on a real-time basis.
