**Loyce Brooks** joined the Enlighten Financial team in the Fall of 2023. An accomplished and detail-oriented finance professional with experience in credit analysis, Loyce is skilled at financial modeling, credit analysis, and commercial lending. He thrives on assisting clients with expert credit analysis and providing out-of-the-box thinking to loan requests, finding where clients can best help their borrowers while maintaining disciplined credit practices.

Loyce's previous roles include commercial credit analyst, credit associate, and real estate valuation analyst. A graduate of Texas State University's McCoy School of Business, he's also had advanced training in financial statement analysis, commercial lending, and real estate financial modeling. His success in preparing underwriting models and portfolio management will be an asset to Enlighten Financial's clients.

In his free time, Loyce enjoys investing, and loves football and basketball.
